## Software Distribution

Distributing modified versions of the branded software we release requires our permission and, in most cases, a distribution agreement between your organization and Mozilla.

You'll need to get in touch with us before using any component of our branded software, including:

- The installer file/disk image/codebase (tarball)
- The executable binaries
- Chrome files
- Preferences files
- Other files or components of a Mozilla-branded application

Ask [email@mozilla.com](mailto:email@mozilla.com) about using our branded software. If you're in doubt, just ask—partnerships are key to our community and we're happy to work with you.

## Trademarks and Logos

Read [Mozilla Foundation's Trademark Policy](#) and customization guidelines for rules about the use of Mozilla's Trademarks and logos.
