RE:

Dear Sir/Madam:

This letter confirms that the above mentioned person will be participating in the Mozilla / Firefox 2010 Summit (the "Summit"), taking place at the Fairmount Chateau Whistler Hotel in Whistler, British Columbia from July 6, 2010 to July 10, 2010. The Summit is an invitation-only gathering, where more than 550 of the most active contributors in the Mozilla community have been invited to discuss where Mozilla is heading and our future product. Attached please find our Mozilla profile.

As well, attached for your reference please also find a copy of the May 6, 2010 letter of Mark Bourne, Regional Conventions Coordinator, Pacific District for the Canada Border Services Agency. Please note that Citizenship and Immigration Canada's Special Event Unit has likewise been notified of our Summit and the information is listed on the CIC intranet.

All costs for all our participants associated with travel to and from Canada, lodging and food for our 2010 Summit are being paid for by Mozilla Corporation.

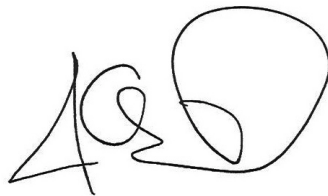

Some participants may wish to arrive in Canada early or extend their stay. Please note that any additional expenses in this regard will be their responsibility.

We trust that the above mentioned participant will be permitted to enter Canada on a temporary basis to attend our 2010 Summit.

Should you have any questions please do not hesitate to contact Amié Tyrrel at Amie@mozilla.com (Telephone: (650) 704-1941) or our immigration lawyer Avi Gomberg at agomberg@gombergdalfen.ca (Telephone: (514) 845-0993).

We thank you for your kind assistance.

Yours very truly,
