

MECT '09

Mozilla Europe Community Tour

Let's introduce ourselves.

Mozilla Europe Community Tour

Goals

Spread the word about Mozilla

Bring people together

Motivate people to get involved in the project

Learn about communities, and get to know mozillians better

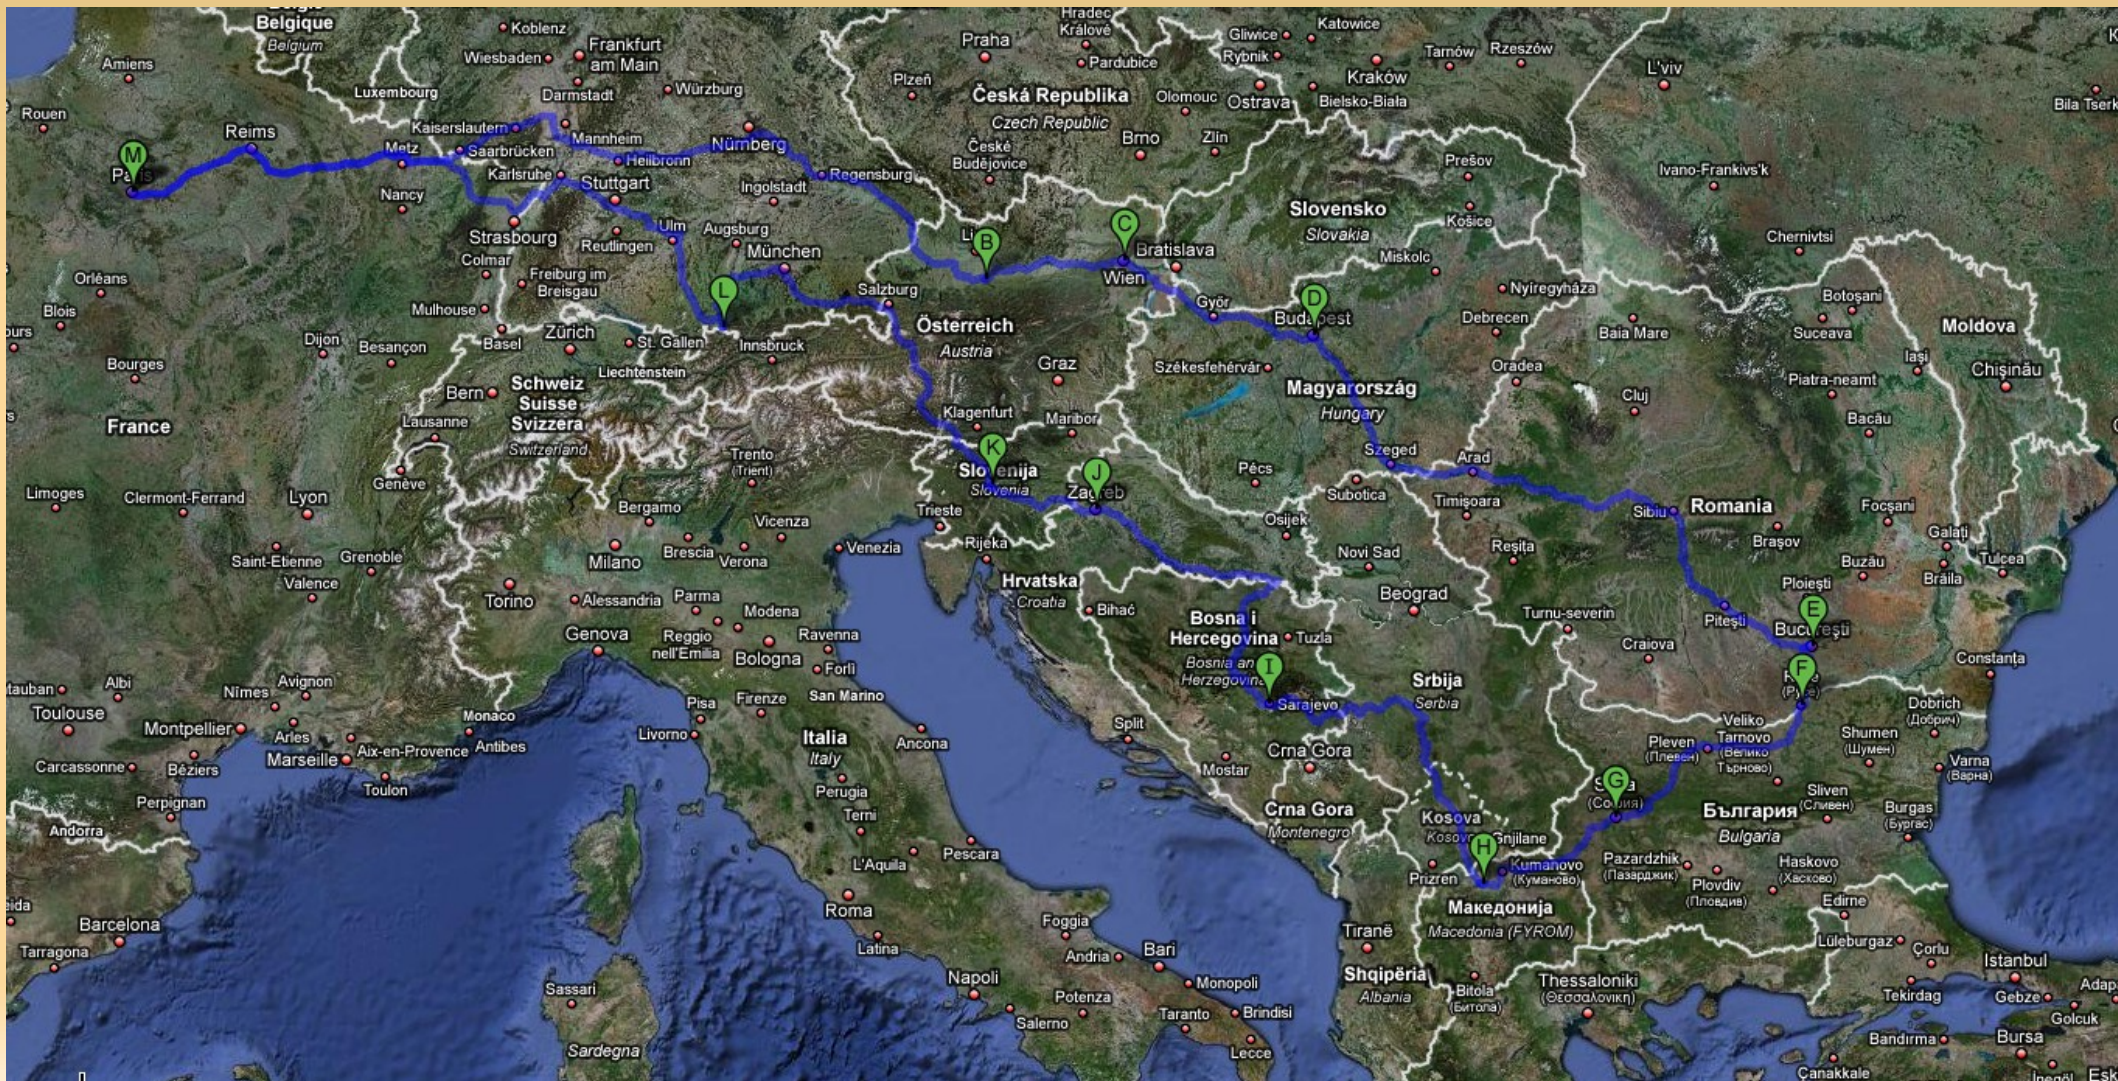

But also...

- Meet new people
- Discover more Europe, its countries, its people, its beers...

12 countries, thousands of kilometers...

Meeting Mozillians

Meeting non mozillians

Drinking beers

Visiting

Giving goodies

Adventure

What we liked

- * Landscapes
- * People
- * Food, beer
- * Adventure
- * Learning (about ourselves, countries, people, new skills)
- * Learning about Mozilla, mozillians and mozillians community
- * Feeling welcomed

What we want to improve

- * Organisation and time
- * Talk (not prepared enough)
- * Struggle for an internet connection
- * More precise marketing goals
- * The Firefox suite

What we want to improve II

- * Trying to get some media coverage
- * Involving other Open Source projects (Shtooka, OSM)
- * Establish better contacts with all the people we meet (Business cards + note what they want to do for Mozilla, what they need from Mozilla)
